

Trace Those Steps
Promise of Redemption

First tab, it s really not hard to learn.
Just figure out the strumming yourself, it s pretty easy.
I m working on the second guitar part right now- hopefully it ll be up soon.

ALSO: I couldn t figure out the chord name for one of them I was playing, so I named it
(for D hammer on). All you do is play a normal D, and hammer on with your pinky on third
on the e string. Simple enough.

Capo: 3rd fret

INTRO:

Cadd9, G, D, Dh
Cadd9, G, D(let ring)

VERSE:

Cadd9

Well growing up never made much sense to me

G

But dealing with this life I lead

Cadd9

And making oh so many plans

G

That never seem to come true in the end

Cadd9

And yeah I know that we were young

G

But age doesn t mean much when you re truly in love

Cadd9

I ll hold on to that feeling that I always had

G

Cadd9

In hopes that one day I will see you again

G

Cadd9

I know that one day I will see you again

G

And I ll keep holding my breath

CHORUS:

Cadd9

G

D

Dh

So let s trace those steps back to where we first met

Cadd9

G

D

Dh

A place I ll never forget cause you and I we can not let

Cadd9

G

D

Dh

All this space between a perfect you and perfect me

Cadd9

G

D(let ring)

It s just so hard to believe that you re gone

VERSE:

Cadd9

I tried my luck at so many things

G

I ve seen enough joy to make me wanna sing

Cadd9

I ve hit the highest of highs, the lowest of lows

G

Right now I m sick and tired of being alone

Cadd9

And as I trace those steps, the same very steps

G

That lead up to the room where we once slept

Cadd9

I ve got this pain in my chest

G

Cadd9

Oh this pain that s too deep to keep tight lips

G

Oh so I ll keep holding my breath

CHORUS

PRECHORUS:

Cadd9 G D

And oh my God, this hurts like hell

Cadd9 G D

And how am I supposed to tell myself

Cadd9 G D

That if I keep on singing my way through this

Cadd9 G D

That one da-----y, I ll be fine

Cadd9 G D

One da-----y, I ll be fine

THESE PARTS ARE SUNG AT THE SAME TIME. It s played the same as the chorus, but if you to play and sing to the second part, the timing is off by a few seconds. The words in are the second voice part.

So I ll trace those steps back to where we first met

A place I ll never forget cause you and I we can t let

All this space between a perfect you and perfect me

It s just so hard to believe that you re gone

{One good thing about the road is that it opens up your eyes

It will make you miss your home and everything that lies

In your heart will be as clear as all of heaven s days

Cause I believe that you re not gone }

You re right here

Any comments or corrections, just leave me a comment on here.
Thanks!
