C **C/B**
And the love we shared
Am **F**
Don t mean that much to me
F **Fm** **C**
Cant you see I m older wanting more for less
C/B **Am** **F**
And I know that with love and light we ll grow
Fm **C**
To be part of something that s worthwhile

F **Em** **F**
And the light of your reason warms my soul
Em **F**
Taste my love don t let it go
Fm **C**
And with love and light we ll grow

You pick me up you put me down
Am **F**
Oh you turn my world around
Fm **C**
And I don t believe you when you say you re right
