But this will go to finish, because I go in front, go until the end?

(G D# C Bb)

My problem is you?

My problem is you?

I could die, I could lie, commit abuse, kill or try...

My problem is you?

(G A Bb A)

and when they know that they can decide its more difficult problems?

(G G A A Bb Bb A A)

But I not, because I know that my problem...

(G D# C Bb)

My problem is you?

My problem is you?

I could die, I could lie, commit abuse, kill or try...

My problem is you?

(F G)

You it is mine badly,

My serious illness,

My cancer,

My stream bed of death,

My death,

My weakness,

My force,

My life

Power that make me go until the end.

(G D# C Bb)

My problem is you?

My problem is you?

I could die, I could lie, commit abuse, kill or try...

My problem is you?

(G D# C Bb)

I am gotten depressed,

because I love you excessively,

and do not obtain to resist its look?

you leaves me badly?

(G D# C Bb)

My problem is you?
