

**I Can Fly**

**PSY**

( D F B A )

I need to hear your voice,  
Speak about me,  
When your time run more quick, I know you wanna be.  
Who knows I wanna be.

( D F B A )

Sorry, nice to meet you, what s your name?  
I think to hear your voice, but I don t remember of your face.  
Falling down, falling down, and can t undersatand,  
Shut up, shut up, and take the aeroplane.

( D F B A )

Aeroplane...It s very very aloud.  
I m Insane...And I don t have the right.  
What s my Name? I think that I can fly.  
Fly on the space that I have our minds.

( D F B A )

Left, right, left, right,  
All rights reserved for stole your mind.  
You spoke to me,  
That I am blind.  
Fuck all strangers,  
My eyes is blinds.

( D F B A )

Aeroplane...It s very very aloud.  
I m Insane...And I don t have the right.  
What s my Name? I think that I can fly.  
Fly on the space that I have our minds.
