

**Social Candy**  
**Psychedelic Porn Crumpets**

Psychedelic Porn Crumpets - Social Candy  
Tabbed by JNPF1

[Intro]

```
e|-----17-----|
B|-----15-----15-----|
G|-----16-----16-----|
D|--15-----|
A|-----|
E|-----|
```

N.C.  
**G C G F C F G (x2)**

[Verse 1]

**G**  
What a colossal navigational problem  
**G G# C# C**  
I seem to be a vegetable  
**G**  
No power up packs or inventions of the same degree  
**G G# D#**  
I wish that I had worn a warmer jumper

[Pre-Chorus]

**G# F D# C**  
Face on the floor, no coming back  
**G C G**  
I m the creation old mate Frankenstein had  
**C# A#**  
Dead end signals from head to feet  
**C# A#**  
Blinking in morse code for a state of emergency

[Chorus]

**G F**  
Commencing mission for face control  
**G F**  
Some kind of upper would be optimal  
**G F**  
Clear transmission to re-upload  
**G A# F A# F A# F**  
They stated, MIA on Kepler 1

[Instrumental]

N.C.

**G C G F C F G** (x2)

[Verse 2]

**G**  
Eight hours in and there s no sign I ll be touching down  
**G** **G#** **C#** **C**  
Hopefully there s no need for therapy yet  
**G**  
I ll just fit in and be like everyone else  
**G** **G#** **D#**  
Stop all your thinking it s no good for your soul

[Pre-Chorus]

**G#** **F** **D#** **C**  
Face on the floor, no coming back  
**G** **C** **G**  
I m the creation old mate Frankenstein had  
**C#** **A#**  
Dead end signals from head to feet  
**C#** **A#**  
Blinking in morse code for a state of emergency

[Chorus]

**G** **F**  
Commencing mission for face control  
**G** **F**  
Some kind of upper would be optimal  
**G** **F**  
Clear transmission to re-upload  
**G** **A#** **F** **A#** **F** **A#** **F**  
They stated, MIA on Kepler 186F 186F 18

[Instrumental]

N.C.  
G (x12)  
**G F** (x2)  
**G A# F A# F**  
**G C G F C F G** (x2)

[Chorus]

**G** **F**  
Commencing mission for face control  
**G** **F**  
Some kind of upper would be optimal  
**G** **F**  
Clear transmission to re-upload  
**G** **A#** **F** **A#** **F** **A#** **F**  
They stated, MIA on Kepler 186F 186F 18
