

I C Water
Psychic TV

[Intro]

D G D G D G D G

[Verse]

D G D G D G D G
And I see much more clearly everyday, And I sense I can see you play
D G
And there s all-ways some truth, And there s always something I should say
D G
There s all-ways someone there to give me water everyday

D G D G
Water! Water I hear you say, And I know, And I feel, What you say is far too
real
D G
And everything, And everywhere, And everything you say you care for
D G
Water! I need some water

[Verse]

D G
You tell me things and they re things I should have known
D G
Where your tears are NOW they re not quite your OWN
D G
And at night you lie in dreams you haven t flown
D G
And we spin in circles that look so blown

[Verse]

D G
And the tears stream down from the sky
D G
Each tastes bitter, The salt of asking why?
D G
And your Words come down and fall over me
D G
Each one is Friend, And each one is the rain, And each is the sea

[Chorus]

D G
And words are so close they re inside my heart
D G
Falling, falling, falling, Ripping me apart,
D G
Like water, water everyday

[Outro]

D **G**

Water, what a strange sound

D **G** **D** **G** **D**
