What the hell happened to me
I ve become such a mess
I m a walking disaster
On a road full of stress
You got all that you wanted
You got the good part of me
And I m getting kind of dizzy
From this crazy disease

Ebm **â€** **Bbm** **â€** **B** **â€** **C#**

So get me a doctor
I need a repair
I m pushing my limits
And pulling out my hair

B **â€** **F#** **â€** **C#**

And it s all because of you

B **â€** **F#** **â€** **Ebm** **â€** **C#**

I just run into walls and trip over my shoes

G#m **â€** **B** **â€** **F#** **â€** **C#**

I get up, I fall down, every time you come around

B **â€** **C#**

I m not cool
It s all because of you
It s all because of you

F# **â€** **C#** **â€** **Ebm** **â€** **B**

You ve got me spinning like a record
That s already worn out
And I m kicking and I m screaming
And repeating myself
I gotta hold myself together and not fall apart
If it s gonna be forever tell me where do I start

Ebm **â€** **Bbm** **-B** **â€** **C#**

So send me a signal
Up in the air
You re pushing my buttons
I m pulling out my hair

B **â€** **F#** **â€** **C#**

And it s all because of you

B **â€** **F#** **â€** **Ebm** **â€** **C#**
