Words Might Not Always Be 100% Correct, I just put them there to give an idea or
where to play chords.
Db/D type chords mean a D power chord with Db in the base!
Your Friendly Neighbourhood Chris.

03- I

Intro+Verses:
Riff 1:
A--222111222112211-- x2 with phaser, palm mute first time.
E---------------------------

Verse 1:
My hearts breakin and my arms and shakin thanks to you... and me.
I m left wondrin what went wrong I m stumblin thanks to you... and me.

Pre-Chorus:
       B   **Bb**/**B**   **B**
Her heart falls down making no sound.

Chorus: x2
B
I don t wanna go back home and,
G#   **F#**
I don t wanna be alone and,
       E   **F#**
The only person singing to me sleep is myself and.

Verse 2: Opens with 1/2 Riff 1
So as I m still fallin and as she keeps callin as for you... it s not me.
My heart s takin and my body breakin thanks to you... and me.

Pre-Chorus:

Chorus:

Bridge x2: Open with Phaser Riff.
            E   **F#**
I m the only person thinking bout you now,
               E   **F#**
And the only person singing me to sleep is myself.

Final Chorus:
Same Chords But Clean x2
Same chords dirty and 2 frets up x1

C   **A#**

I don t wanna go back ho-ome,
                             G#   **F#**   **G#**
Don t wanna be alo-one.
         C#
And I!
