

**How I Need You**

**Puggy**

How I needed you (Puggy)

D/F# : 200212 (thumb on the bass)

**Em** : 011000

**Bm** : 224432

**B7** : x21202

**G D/F# Em B7**  
Safe from them all, those evil little

**C D/F# G**  
Motherfuckers at my door

(D/C/B/A)  
Yeah well I ve kept score and I believe they  
Owe me more than life is short

Do you remember when nobody knew me  
Man was life so simple then  
But you knew my name and Lords knows it will  
Never sound the same again

**C D/F# Em B7**  
I will stay with you, I will stay with you

**C D/F# Em D/F#**  
I will stay with you  
How I needed you, how I needed you  
How I needed you  
(**B & E** harmonics)

**C D**  
I needed you [x2]

**C G/B C D**  
I needed you [x2]

Well, a long time ago, that night we had  
Was my only claim to fame  
Yeah, we were only friends and girl you took  
Away from us our happy end

So I will stay with you [3x]  
How I needed you [3x]

(You ve taken from me everything in the world)  
I needed you [x4]

**Em Bm**  
I hate you more than I hate everything in the world

**C**                    **G**    **B7**

Well I do, I said I do  
You've taken from me everything I deserve  
Well it's true, yeah it's true [x2]

(You've taken from me everything in the world)  
I needed you [x4]

**G**                    **D/F#**                    **Em**                    **B7**  
I will stay with you, I will stay with you  
**C**                    **D/F#**                    **G**                    **D/F#**  
I will stay with you, how I needed you  
**Em**                    **B7**    **C**                    **D/F#**                    **G**  
How I needed you,                    how I needed you
