To Win The World
Puggy

TO WIN THE WORLD (Puggy)

[Intro]
Am9   G6   Dm   (x2)

[Verse 1]
Am   **G**
  Are you really looking for money
Dm   (**F**)
  And just to get you through
Am   **G**
You really should be looking for love babe
Dm   (**F**)
Loving is good for you
Am   **G**
  There is in you so much fire
Dm   (**F**)
  Burning deep in your soul
Am
You got what you need
        G
You got what you need
                  Dm
You got what you need babe

[Chorus]
                    Am   **G**
You ve just won the world hey hey
      Dm
Is the world enough for you?
                    Am   **G**
You ve just want the world hey hey
    Dm
With everyhting in in too
                      Am
You ve just won the world
            G   **Dm**
Yeah but you don t know what it is
                      F
You ve just want the world hey
                  D
You ve just want the world

[Interlude]
Am   G   Dm   (x2)

[Verse 2]

```
Am                              G
You and me we re fighting for something
Dm                    (F)
   Something greater than us both
    Am                          G
We need not knock on wood to start fires
Dm                      (F)
Warmer is the heart and soul
Am                   G
Can do with you without liars
Dm
   Stick with you through and through
F
You got what you need
         F
You got what you need
                   E7
You got what you need babe

[Chorus]
                    Am          G
You ve just won the world hey hey
       Dm
Is the world enough for you?
                    Am          G
You ve just want the world hey hey
    Dm
With everyhting in in too
                        Am
You ve just won the world
          G                    Dm
Yeah but you don t know what it is
                        F
You ve just want the world hey
                      E
You ve just want the world

[Interlude]
Dm   Am   Dm   Am

[Verse 3]
F                              Dm
You and me we re fighting for something
Am
   Something greater than us both
    F                          Dm
We need not knock on wood to start fires
Am
Warmer is the heart and soul
F                    Dm
There is in you so much fire
Am
   Burning deep in your soul
```

F
You got what you need
You got what you need
                           E
You got what you need babe

                           Am   **G**
You ve just wont the world hey hey
      Dm
Is the world enough for you?

[Chorus]
                           Am   **G**
You ve just won the world hey hey
      Dm
Is the world enough for you?
                           Am   **G**
You ve just want the world hey hey
   Dm
With everyhting in in too
                         Am
You ve just won the world
             G   **Dm**
Yeah but you don t know what it is
                           F
You ve just want the world hey
                           E
You ve just want the world
