

**Immune
Pulley**

A real cool song, which strumming is pretty easy to match with,
enjoy, and let your comments !!! Scorf

Intro

D# A# F G# X 2 D#

A# F
Did it have to end this way?
G# D#
Never hear your name again
A# F
Many things I d like to say
G# D#
Didn t make any sense to me

Now you seem to be at peace
See what you have left behind
A trail of memories so deep
Who thought we d ever run out of time

Chorus

C# G# A# D#
Everyday that you re away duno how we make it through
C# G# A# D# A# B F#
Everyday that you re away I miss another night with you

Interlude

D# A# F G#
D#

They signs they hang up on your face
I think you knew we understood
We were immune to what was you
We still held on to what we could

Words keep turning and the lights keep burning
Brighter than before
A trail of memories so deep
Who thought we d ever run out of time

Chorus

Interlude X 2

B **D#**
As a child you gave to me what I see now

B
When I close my eyes think of you

C# **D# C# G# A# X 2 D#**
Stepped aside always walked on by

C# G# A# D#
Everyday that you re away duno how we make it through

C# G# A# D#
Everyday that you re away I wanted one more night with you

C# G# A# D#
Everyday that you re away duno how we make it through

C# G# A# D#
Everyday that you re away I wanted one more night with you

A# B F# D# X 3
One more night with you
