Verse 1:
C   G   F
  forget the tears
         C/E   G
running down my face
everything so
F   C   G
unimportant and you say
Am   F
  when we understand
G
all our problems will
F   C
go away and i m just
G   F
trying to keep things
C/E   G
simple know what s it
          F
going to take for me

```
        C
to say a few more
G    Am F  G
hours    i think we
        F
need a change

Interlude:
C-Am-Em-F-C-Am-G-F-
C-Am-Em-F-C-Am-G--Drumbeats

Verse 2:
C      G        F
  get back to all
     C/E
the reasons when
      G
we ve tried to turn
     F         C          G Am
the other way response
            F
triggers an image
       G
and respect one s
someone else
F
crystal page
     C        G
and i m just trying to
F               C/E
keep myself together
    G
and watch what can
   F
I do for you today
C        G
nobody is sorry
Am
I am not waiting
F       G
for you noone
            F
is like your mom

Chorus:
   Eb
I built these walls around
Bb/D Eb       Bb
my   world so no one could
        G#
```

```
get in selfish that s the
                 Gm F Eb
way i want to be    sharing
                         Bb
not my thing and I definitely
              G#
won t give i m keeping all
                        Gm F
that s left it s just for me
          Eb Eb-Bb/D-Eb-E-F---(hold)
just for me
