\*\*\*\*\*BLUE GLOW\*\*\*\*\*

Because the whole song is just Am Dm all the way through and I don t think there is a guitar on it (Russell plays the violin and I don t Jarvis plays the guitar on it either) I ahve only submitted a bass tab.

Tonight
Make it tonight

Tonight  
Make it tonight

\*EVERYTHING ELSE IS THE SAME UNLESS MENTIONED!\*

Crouched down by a bush at the roadside  
I watch as  
You pass me by  
Lost down by the side of the river  
No light comes  
From the empty sky

Tonight  
Make it tonight  
Tonight  
Make it tonight

\*SAME SEQUENCE, BUT SLIGHTLY FASTER\*

I left home at midnight  
Made for the horizon  
No sense of direction  
I walked on for miles  
Oh I hope that I find you

I hide from the headlamps  
No lights from the windows  
The whole town is sleeping but  
Somewhere you lie  
Oh I hope that I find you

Oh I m lost by the river  
My clothes are tatters  
My face scared with branches  
I shiver with cold  
No, I don t think I ll find you

Tonight  
Make it tonight  
Tonight  
Make it tonight
