[C]It might sound funny
[Am7]But when your heart is [F]nearly-new [Fm]
You say I ll try; but [C]never do [Am] [Dm]
I ll try to [G]get there in the [C]end

[C]The cuckoo is a [Am7]pretty bird
[F]It sings the sweetest song I ve [Fm]ever heard
And it re[C]minds me how you [Am]stole into my [Dm]heart
And took [G]everything a[C]way
A[Am7]way

It s out[F]rageous
It s dis[Fm]graceful
[E7]How could we ever have been so [Am]tasteful?
I [F]know we said we [G]won t
But you can [F]call me if you [G]want
And you [C]know I m [G]always [Am]there

I thought you d like to [F]know
I still think you are the [Fm]most
But you left me living [E7]here
Married to a [Am]ghost
Then, it gets so [Dm]cold at [G]night-time
Never knew it got so [Dm]cold at [G]night-time
Sometimes dreams come [C]true:
One night [F]when the moon is [C]blue
And [F]I may come to [C]you
With a [Am]love that s nearly-[C]new

[C]Oh, my [Am7]love
[F]I ve tried to [Fm]love you
But I [C]guess I m out of [Am]practice
[Dm]And practicing is [G]Strictly for the [C]birds

[C]The cuckoo is a [Am7]pretty bird
[F]It sings the sweetest song I ve [Fm]ever heard
And it re[C]minds me how you [Am]stole into my [Dm]heart
And then threw [G]everything a[C]way
And you [Am7]say:

It s out[F]rageous

It s so [Fm]shoddy
The way you re [E7]making love to someone else s [Am]body
And my [F]flesh can go and [G]crawl
Halfway [F]up the bedroom [G]wall
And you [C]know I m [G]always [Am]there

I thought you d like to [F]know
I still think you are the [Fm]most
But you left me living [E7]here
Married to a [Am]ghost
Then, it gets so [Dm]cold at [G]night-time
Never knew it got so [Dm]cold at [G]night-time
Sometimes dreams come [C]true:
One night [F]when the moon is [C]blue
And [F]I may come to [C]you
With a [Am]love that s nearly-[C]new
