Here in the night love takes control. Making me high making me whole.

*I don t know. Oh no, no, no.

G7 Gm/Bb Dm9 G6/G

No I don t know. No, no, no.

G7 Gm/Bb Dm9 G6/G

No I don t know.

When I close my eyes I can see you

lowering yourself to my level.

I don t know where you got those clothes,

you can take them off if it makes you feel better.

Don t stop it now. Now is so right.

Now as the day slips away

& we slide into night.

[*Repeat]

I open my eyes & you re there,

even better in the flesh it would seem.

I m so ready and willing & able it s untrue,

to act out this love scene & make my dreams come true.

& how many others have touched themselves

whilst looking at pictures of you?

How many others could handle it if all their dreams came true?

I don t expect you to answer straight

away,

maybe you re just having an off day but

I need to believe in you.

Yes I do. Yes I do. Oh

I want you here in my heart. Here in my head.

Live all your dreams for tonight here in your bed.

[*Repeat]

So roll the soundtrack and dim the lights cos I m not going home tonight.
This love scene has begun. There s nothing left for us to do but get it on.
Lets make this the greatest love scene
from a play no-one s thought up yet.

I know you re feeling the same as me but what you gonna do about it?
Now here s an exclusive:

I ve wanted you for years. I only needed the balls to admit it.
When the unbelievable object meets the unstoppable force
there s nothing you can do about it. No.

I will light your cigarette with a star that has fallen from the sky.
Breathe in, breathe out,

I love the way you move. Don t let anyone tell you any different tonight.

You are beauty, you are class,

you showed it all but you still kept a little piece back just for me.

A little piece back just for me.

Just for me.

Oh I don t know how you do it but

I love the way you do it, when you re doing it to me.

& if this is a dream then I m going to
sleep for the rest of my life.

For the rest of my life

For the rest of my life

For the rest of my life
