

## You're a Nightmare

Pulp

**F**            **Dm**                            **G**                            **C**  
All day / I m doing fine / cos there are things / to pass the time

**F**            **Dm**                            **G**                            **C**  
Smoke a cig / and drink some tea / watch a programme / on TV

**F**            **Dm**                            **G**                            **C**  
I just don t care where you are now / cos I m sorted out, and how

**F**            **Dm**                            **G**                            **C**  
I ve got it all set up you see / But when I close my eyes it happens to me

**F**  
You re a nightmare /

**Dm**  
and you ve made it all wrong

**G**  
You re a nightmare to me

**C**  
Oh hoh /

**F**  
You re a nightmare

**Dm**  
oh and I just can t see

**G**  
why you should keep on

**C**  
happening to me oh yeah / aah /

Well it stopped some time in May / whilst you were still away  
Was I in bed or on a bus / doing something pathetically ridiculous?  
I never noticed it at first / But when you came back it got worse  
It s the idea of you, you see / when I close my eyes it happens to me  
Oh you re a nightmare / and you ve got it all wrong  
You re a nightmare to me / Oh hoh / You re a nightmare  
and I just can t see / why you should keep on / happening to me

You re a nightmare / and you ve got it all wrong  
You re a nightmare to me / Oh hoh / You re a nightmare  
and I just can t see / why you should keep on

happening / happening to me / Oh oh oh

And there were hotel bedroom birthdays / sleep in factory hallway  
I remember always Yeah there were hotel bedroom birthdays  
and sleep in factory hallway / I remember always  
Why do you keep on / hanging round  
Can t you see it gets me down?  
Because when I look at you I see / somebody I just don t want to be

Oh woh you re a nightmare / and you got it all wrong  
You re a nightmare to me / Oh hoh / You re a nightmare  
and you just can t see / why you should keep on / happening to me

You re a nightmare / and you ve got it all wrong  
Yeah you re a nightmare to me / Oh hoh / You re a nightmare  
and I just can t see / oh why why you should keep on / happening to me

You re a nightmare / and you ve got it all wrong  
Oh you re a nightmare to me / Oh hoh / You re a nightmare  
oh and I just can t see / why you re / why you re

you re always hanging around / you re always hanging round  
You re always hanging around / You re always hanging round  
You re always hanging round / You re always hanging round  
you re always hanging round / You re always hanging round.
