

## Dark Days

### Punch Brothers

\* this is first tab so here it goes Hope it turns out well :))\*

Capo on 5

intro **Am C Am G**

**Am C Am**  
Mother, listen to my heart.

**Am C Am**  
Mother, listen to my heart,

**G C Am C**  
Just as one beat ends, another starts.

**G Am C G**  
You can hear no matter where you are

**Am C Am**  
Sister, hide our love away

**C Am C**  
From the evil we both know.

[Chorus]

**G C Em C**  
It can see us through these dark days,

**Em C G C Am**  
Though they seem to darken as I go.

**G C Em C Em C**  
Our love will see us through these dark, dark days

**Em**  
sister,

**C G Am**  
Til it lights the way back home.

**Am C Am**  
Sister, hide our love away.

**Am C Am C Am**  
It can turn the whole world upside down

**Am C Am**  
Shake it til the sky falls to the ground.

**G C Am C**  
We don t have to reap the fear they sow,

**G Am C G**  
Friends, as long as we hide our love away,

**Am C Am**  
In the good they ll never know.

[Chorus]

**G C Em C**  
It can see us through these dark days,

**Em C G C Am**  
Though they seem to darken as I go.

**G C Em C Em C**  
Our love will see us through these dark, dark days

**Em**  
sister,  
**C**                    **G**                    **Am**  
Til it lights the way back home.  
**Am**                    **C**                    **Am**  
Sister, hide our love away.  
**Am**                    **C**                    **Am**  
Mother, listen to my heart.  
**Am**                    **C**                    **Am**  
Mother, listen to my heart,  
**G**                    **C**                    **Am**                    **C**  
Just as one beat ends, another starts.  
**G**                    **Am**                    **C**                    **G**  
You can hear no matter where you are
