

Moonshiner

Punch Brothers

-Moonshiner Traditional-punch brothers version
Capo one

thats the gist of it.

Iâ€™ve been a moonshiner **G** **C**
For seventeen long years **G**
I ve spent all my money **D** **G**
On whiskey and beer **D**
I ll go to some hollow **G**
And set up my still **D D7**
And I ll sell you a gallon **G** **C**
For a ten dollar bill **D D7**

Then I ll go to a bar room
And drink with my friends
Where the women can t follow
And see what I spend
God bless them pretty women
I wish one was mine
Because their breath is as sweet
As the dew on the vine

Give me food when I m hungry
Give me drink when I m dry
A dollar when I m hard up
Religion when I die
If this whole world s a bottle
And life s but a dram
When the bottle is empty
It sure ain t worth a damn

I ve been a moonshiner
For seventeen long years
I ve spent all my money
On whiskey and beer
I ll go to some hollow
And set up my still

If the whiskey don t kill me
I don t know what will
