G
You sew your skirt lace out of time
G **C** **G**
While I write the words to rhyme
C **D**
Just what I am thinking
G **Em**
Just what I should say
G **C** **G**
If I have to go I d rather stay

G
Colorado Canyon girlthat set me free
G **C** **G**
Brown eyes in the morning looking back at me
C **D**
And just for that one moment
G **Em**
Your all that I see
G **C** **G** **G**
Searching for some other place to be

Chorus

G **C** **G** **D**
More than anyone can try I hope you ll see that I belong
G **C** **G**
Standing right before your eyes
C **D** **G**
If you can take the time to find where I went wrong
G **C** **G**
Then I think you just might realize

G C D G Em G C D

G
So sew your skirt lace and I ll go home
G **C**
Not quite where I started from
G **C** **D**
So take it so you ll feel it
G **Em**
Take it so you ll know
G **C** **G**
Take one long last look before I go

Chorus

G **C** **G** **D**
Cause more than anyone can try I hope you ll see that I belong
G **C** **G**
Standing right before your eyes
C **D** **G**
And when you ve had the time to see its been too long
G **C** **G**
Then I ll come on back to Boulder Skies
