G **D** **C**
Early Morning Riser I can still
G **D** **G**
feel all your sunlight shine before the dawn
C/G **D** **C**
First light morning feelin s got me losin so much sleep
G **D** **G**
I just can t say how much I miss you when you re gone cause I
C **G**
get a feelin somethin like a summer wind when you
Em **C** **G**
love me like a sister then you re gone again but there s
D
so much light shinin in your eyes that you
C **G**
just can t help but keep a love alive

G **D** **C**
Now I hear some other lovin sunshine brother s
G **D**
left you cryin and you re all alone
C/G **D** **C**
So dry your eyes and try to say your goodbyes cause you re old enough to
G **D** **G**
get back on your feet all on your own don t ya
C **G**
kind of get a feelin somethin like a summer wind cause he
Em **C** **G**
loved you like a brother now he s gone again but there s
D
still a lotta love light in your eyes and you
C **G**
sure know how to keep a man alive

C **G** **D** **Em**
Well, you can stand right there and tell me somethin s wrong...

C **G** **D** **G**
it s so hard to know your problems when you re gone..... so

G **D** **C**
Early Morning Riser there s not much more
 G **D** **C**
I can do to try and make things right
C/G **D** **C**
If you need another sunshine brother I can be right there be
G **D** **G**
side you by the early morning light and I ll for
C **G**
get that feelin like a summer wind and I ll
Em **C** **G**
probably start to think about you now and then but there s
D
still a lotta light shinin in your eyes
 C
and you still know how to keep a love alive
