

Any Which Way

PureNRG

Intro

G D Am C G D Am C

Verse 1

G D Am7 C

Countdown, another day has come and gone away

G D Am C

I barely found the time to breath

G D Am C

I get so caught up in all I want to do sometimes I forget about you

G D Am C

And all the plans you have for me

D Am D Cmaj7

Before I make the same mistake for one more day I, I just want to say

Chorus

G D Am C

Anywhere you want me that s where I want to be

G D Am C

Any way you want me that s the way I want to be

G D Am C Am C D

Any time you call me I want you to hear me say, Lord, use me any which way

G D Am C G D Am C

Verse 2

Am7 C

Rewind, to another time where I really made up my mind

G D Am7 D

And let your will be what will be

G D Am7 C

And I push play live another day have faith that everything s ok

G D Am7 D

With more of you and less of me

D Am7 D C C D

Cause I know I am nothing on my own and I just, I want you to know

Bridge

G D Am7 C

Push play live another day have faith that everything s ok

G D Am7 C

Push play live another day have faith that everything s ok

G D Am7 C

Push play live another day have faith that everything s ok

Am7 C D

With more of you and less of me, Lord, use me any which way
