

**Polar Bear**  
**Puscifer**

This is my first tab, so I decided I would submit what I pulled together since there are no other tabs on this song. Enjoy and hail Maynard!

**Am F Am**  
I see you chippin away again  
**Am F Am**  
Your own icicle island  
**Am F Dm F**  
Howling alone, the lies and the bone

Hoping to fade and disappear into the white  
**Am F Am**

**Am F Am**  
A moat of icy water

No end in sight save your own

I know that look of fear, I m well-aware  
**Am F E**  
No need to brave it all alone  
**Am F Am**  
I ll be there  
**Am F Am**  
I ll be there
