PROBLEMS
Push to Talk

Standard Tuning

```
                Ebm            Bbm
Yeah you ve got problems
        G#m
You wear a fashioned disease
               Ebm                 Bbm
You re making progressive dysfunction
         G#m        G#m7 (ring)
With your physique
             Ebm          Bbm
Explains the logical conceptions
            G#m
For all your bone breaking deceptions
   Ebm               Bbm                G#m
You read into what all of this could mean
```

SHORT BREAK:
```
   Ebm        C#        G#m
e|-------------------------------------------------|
B|-------------------------------------------------|
G|-------------------------------------------------|
D|3-3-3-3-2-2-2-2-----------------------------------|
A|-5-5-5-5-3-3-3-3-1-1-1-1-1-1-1-1-----------------|
E|-----------------3-3-3-3-3-3-3-3-----------------|
```

VERSE 2:
```
              Ebm          Bbm
Yeah I ve got proble-e-ems
        G#m
I wear a jealous disease
       Ebm                 Bbm        G#m
The epidemic that spins in obtuse degrees, yeah
              Ebm
I ve got my finger on
              Bbm
The place you did me wrong
            G#m
And I ve got pictures of

The awful things you ve done
    Ebm
To me
```

```
                         Bbm                    G#m
And that s why I ve got you on the run

CHORUS:
B
   Kill me
Ebm            C#
   To tune you o-out

So we can all be

B        Ebm          C#
   Happy, without a do-oubt
     G#m
So you can worry less for me

Ebm Bbm G#m (x2)

VERSE 2:

Ebm             C#                  G#m
   Can you be happy for the times we shared?
Ebm            C#                   G#m
   Can you say  thank you  for the ti-i-imes, I cared?

               Ebm
I ve got my finger on
               Bbm
The place you did me wrong
            G#m
And I ve got pictures of

The awful things you ve done
     Ebm
To me
                    Bbm                G#m
And that s why I ve got you on the run

CHORUS:
B
   Kill me
Ebm            C#
   To tune you o-out

So we can all be

B        Ebm          C#
   Happy, without a do-oubt
     G#m                          B Ebm C# G#m Ebm C#
```

So you can worry less for me

B Ebm C# B Ebm C#

B
  Kill me
Ebm   **C#**
  To tune you o-out

So we can all be

B   **Ebm**   **C#**
  Happy, without a do-oubt
   G#m   **B**
So you can worry less for me

B
  Kill me
Ebm   **C#**
  To tune you o-out

So we can all be

B   **Ebm**   **C#**
  Happy, without a do-oubt
   G#m   **B** (ring)
So you can worry less for me
