I m pretty sure this is how you do the intro to this song!

```
e|-3----3----|      Do this 4 times back and fourth
B|-3----3----|
G|-0----0----|
D|-0----0----|
A|-x----3----|
E|-3----x----|
```

```
e|-3---|      And then do this after
B|--3--|
G|-----|
D|-----|
A|-----|
E|-----|
```

I dont know the chorus yet!!!
