| % | - Repeat the previous chord and measure.

[Intro]
| **G** | **B** | **Em** | **Dm** |
| **C** | **D** | **G** | **D7** |

[Verse 1]
          |**G** |**D** |
There were days I couldn t weep,
Em |**Dm** |
nights I couldn t sleep.
   |**C** |**D** |**G** |**D7** |
And everything I did just turned out wrong.

[Verse 2]
               |**G** |**D** |
Till there was you to dry my tears,
        |**Em** |**Dm** |
Whisper love words in my ears.
   |**C** |**D** |**G** |**D7** |
And this is why I m glad you came along.

[Chorus]
            |**G** | % |**C** |**G** |
Now there s a smile,   to cheer me up when I m   lone - ly.
   |**G** |**Em** |**D** | % |
That I can call when-ever I m feeling down.
C | % |**D** |**Am** |
Smile,   and you know that I m   on - ly,
D |**D7** |**G** |**D7** |
longing for the minute you ll be a-round.
G | % |**C** |**G** |
He - lp   me cause I m trying to get   o - ver,
   | % |**G7** |**C** | % |
the way I thought of love many times be-fore.
   | % |**Am** |**G** |**Em**
If ever you should go a-way, and nobody else would be near.
     |**C** |**D** |**G** |**D7** |
There s always a smile to re-member that you were here.

[Interlude]
| **G** | **B** | **Em** | **Dm** |

```
| C | D | G   | D7 |

[Verse 3]
          |G             |D      |
If I could fly I fly a-way,
    |Em                 |Dm
to a bright blue summer-day.
          |C                |D              |G    |D7   |
Tryin  to share my love with you for ever-more.

[Verse 4]
          |G                |D        |
Darling you made my life com-plete,
        |Em           |Dm
you re ev rything I need.
      |C            |D              |G    |D7   |
I ll never be the same as I was be-fore.

[Chorus]
              |G     | %                        |C          |G    |
Now there s a smile,    to cheer me up when I m    lone - ly.
    |G                 |Em                |D    | %      |
That I can call when-ever I m feeling down.
C      | %                      |D       |Am      |
Smile,    and you know that I m    on -  ly,
D               |D7                 |G    |D7      |
longing for the minute you ll be a-round.
G      | %                        |C        |G    |
He - lp    me  cause I m trying to get    o - ver,
    | %              |G7                  |C    | % |
the way I thought of love many times be-fore.
   | %              |Am      |G                    |Em    |
If ever you should go a-way, and nobody else would be near.
      |C                |D                 |G    Bm  |Em
There s always a smile to re-member that you were here.

[Outro]
        |C                |D                 |G    Bm  |Em   |
There s always a smile to re-member that you were here.
        |C                |D                 |G    |
There s always a smile to re-member that you were here.
