Woh - everything I do I do for you
Ow
Oh yeah

We touch and you re afraid of me
And we burn and now I m at your feet
High speed, but you know you re in safe hands
Ooh, in the dark we make a brighter light
From one spark to the horizon wide
We trust, and together we tame the land, yeah

Oh you d be forgiven if you think you re dreaming
But we re working night and day to make a dream come true, yeah
Everything I do is driven by you
Oh, come on babe

Oh well it s tough to make a journey through
The right stuff is dead ahead of you and me
And you know we still got time
Whoo, hold on tight to the driving wheel
This ride is really out of line
Raw deal, but there s no other that s worth a dime

You know I love you but you drive me crazy
Cos you re saying all the things I want to say to you
(You say) Everything I do is driven by you
Everything we do, oh yeah, everything we do
Everything we do, everything we do
Everything we do is driven by you

Inner children lost their way

Now they know the price you pay
I m holding on to life with you
Cos life without you just won t do

Driven by you

Ahh, you know we re never gonna know who s dreaming
But we re working night and day to make the dream come true
Yeah everything I do is driven by you
Everything we do, everything we do, everything we do
Yeah everything we do, everything we do, yeah everything we do
Everything we do, everything we do, everything we do..
... is driven by, driven by, driven by you

Yeah

Ooooh everything I dooo, I do for you
