

**Heartland**  
**Queen**

**F**

Verse:

**F**

How long can this go on

**Dm**

How long can we see this wrong

B flat

and sing the same old song

**F**

There s a desert all round me

**Dm**

and the valley of apathy

B flat

as far as I can see

Bridge:

C B flat

I was on the outside

C B flat 5

Always looking in

**G**

Now I stand, I can t

**C**

turn and face away

Chorus:

**F**

Here I will stay, on my

**Dm**

own, I will pray, all

B flat

alone, on this stage

**C G**

in the heartland

Verse 2:

**F**

When the color of your skin

**Dm**

decides where you begin

B flat

then thats what lies within

**F**

So if you walk alone

**Dm**

while others cast a stone

B flat

stay on your own

Bridge 2:

C                    B flat

The changing of the new tide

C                    B flat 5

something you can t hide

**G**

Take your stand

**C**

this truth will fade away

CH:

**F**

Here I will stay, on my

**Dm**

own, I will pray, all

B flat

alone, on this stage

**C    G**

in the heartland

Instrumental to another chorus chord sequence

C                    B flat

I was on the outside

C                    B flat 5

always looking in

**G**

Now I stand

**C**

I can t turn and face away

Followed by two more choruses.
