

Let Me In Your Heart Again  
Queen

INTRO

| G C/G | G C/G |  
| G C/G | G C/G |

VERSE

G                    G/F#       Em  
When people talk of love  
         Em/D       C       G       D/F# G  
I ll lead the conversation  
G                    G/F#       Em  
I ll say I feel just fine  
         Em/D       C       G       D/F# G  
Happy with my situation

BRIDGE

Am7                    G       D  
But when I look away  
Am7                    G       D       C   Bm Am  
People know my mind is stray-ay-ay-ing  
G                    G/F#       Em  
To where I once belonged  
         Em/D       C                    G  
Dreaming about your heart again  
         D/F#   G  
(Your heart again)  
         D/F#   G  
Your heart again  
D/F#   Em Em/D C       G  
Let me in your heart again - Listen to me honey

INTERLUDE

| G C/G | G C/G D |  
| G C/G | G C/G D |

VERSE

G                    G/F#       Em  
We laugh to face the blues  
         Em/D       C   G                    D/F#   G  
I give you satisfaction (It s your heart again)  
G                    G/F#       Em  
Despair was on your mind  
         Em/D       C       G                    D/F#   G

I gave you the right direction (It s your heart again)

BRIDGE

**Am7**                    **G**        **D**  
Sometimes you walk away  
**Am7**                    **G**            **D**        **C**            **Bm** **Am**  
Remember it s my heart you re breaking  
**G**                            **G/F#**        **Em**  
You forget we were in love  
                              **Em/D C**                    **G**  
Now my heart is only filled with pain  
                  **D/F# G**  
(Your heart again)  
                  **D/F# G**  
Your heart again  
**D/F#**    **Em** **Em/D C**            **G**  
Let me in your heart again

MIDDLE 8

**F**            **C/E C/D**  
Oh, my love  
          **C**                    **G**  
I want you to stay  
**Dm**  
Don t leave me now  
          **C**                    **G**  
Or I just fade away  
**F**            **C/E C/D**  
Oh, my love  
          **C**                    **G**  
Don t hurt me this way  
  
| **A D/A** | **E/A A** |  
| **A D/A** | **D A E** |  
Oh, forgive me, babe  
  
| **A D/A** | **E/A A** |  
Do not ever tell me goodbye  
Tell me yes  
| **A D/A** | **D A E** | **C G D** |  
  
          **Bb/C**  
Don t let me wait too long  
          **F**                    **C**  
Or I ll lose my mind
