

Long Away
Queen

A D/A A E E6 D A E
You might believe in heaven, I would not care to say

A D/A A E E6 D A
For every star in heaven, there s a sad soul here today

D Bm
Wake up in the morning with a good face

E A
stare at the moon all day

D Bm
Lonely as a whisper on a star chase

E E6
does anyone care anyway?

A D/A A E
For all the prayers in heaven

D Fmaj7
so much of life s this way

(**A D/A A E E6 D**)

A
Did we leave our way behind us?

(**A**)
Such a long, long way behind us?

D C#m Bm
Who knows when, now who knows where?

A
Where the light of day might find us?
C C G D E E A A (uma batida em cada corda)
Look for the day.

[Solo]

A D/A A E E6 D A E
Take heart, my friend, we love you, though it seems like you re alone

A D/A A E E6 D A
A million lights above you, smile down upon your home

D Bm
Hurry put your troubles in a suitcase

E A
Come let the new child play

D Bm
Lonely as a whisper on a star chase

E E6
I m leaving here, I m gone away

A D/A A E E6
For all the stars in heaven

D **Fmaj7** **A**
I would not live, I could not live, this way

A
Did we leave our way behind us?

Such a long, long time behind us?

D **C#m** **Bm**
Leave it for some hopeless lane

A
Such a long, long way
Such a long, long way
Such a long, long way

D **Dm** **A**
I m looking for, looking for that day
