Em B D Em
They were born with the knowledge of the struggle to survive
Em B D Em
They were raised, learning only ways to stay alive
Em B D Em
Their language is the language of the bullet and the gun
Em B D Em
If you see them coming, baby, better run

Em D
Here come the warboys
Em D
Here come the warboys

Em B D Em
Well they look so pretty as they march and drill
Em B D Em
It s such, a pity that they re dressed to kill
Em B D Em
Soldiers marching two by two
Em B D Em
When it all comes down they know exactly what to do

Em D
Here come the... warboys
Em D
Warboys

Em G D
Warboys, your boys, politicians toys
Em G D
Warboys, our boys, make lot of noise
Em G D **Em**
When the lightning explodes
Em G D
I pray for your soul

B D Em

Well they look so fierce they're gonna tear out your heart

Em **B** **D** **Em**

When they get near we're gonna see what they got

Em **B** **D** **Em**

Hold on to your soul, friend of mine

Em **B** **D** **Em**

I'll see you in hell, some other time

Em **D**

Here come the warboys
