Queens Of The Stone Age

[Intro] G Em Bm A
G Em Bm A

G Em
Your heart is like a fortress
Bm
Keep your feelings locked away
A G
Is it easier?

Em Bm
Does it make you feel safe?
G Em
You wander through the darkness

Bm
Of wilderness behind your eyes
G
I know you re afraid
Em Bm
But you gotta move on

G Em
Every fortress falls
Bm A
It is not the end
G Em
It ain t if you fall
Bm A G Em
But how you rise that says who you really are
A Bm D
So get up and come through
G
If ever your fortress caves
Em
You re always safe

G Em
I believe I know you
Bm A D
Yet, I don t truly know myself
G Em Bm
I pray you won t feel as alone as I have felt
G A
I don t want to fail you so
Bm
I tell you the awful truth
G Bm Em
Everyone faces darkness on their own

A **Bm**
As I have done, so will you

G **Em**
Every fortress falls

Every night that falls prey to sunrise

(**Bm** **A** **G** **Em** **Bm**)

G **Em**
If your fortress is under siege

Bm **A** **Bm** **G** **A** **Em**
You can always run for me

If your fortress is under siege

A **Bm**
It is not the end

A **G** **Em**
It ain't if you fall

A **Bm** **A**
