E|-5-5-5-5-5-5-----5-5-5-5-5-5-----|
```

```

D|-----5--3-3-----5--3-3-----5--3-3-----5--3-3-----|
A|-----6-6-6-----|
E|-1-1-----1-1-----5-5-5-----1-1-----1-1-----|
```

```
e|-----|
B|-----|
G|-----|
D|-----5--3-3-----|
A|-----6-6-6-6-6-6[-----6-6-6-6-6-6]-----|
E|-1-1-----5-5-5-5-5-5-----[5-5-5-5-5-5-----]-----|
                                [   fourth time   ]
```

after 4 times:

```
e|-----|
B|-----|
G|-----|
D|-6-----6-----6--6--6--9-----|
A|----7-----7-----|
E|-----|
```

Over that riff,play the next lick:

```
e|-----|
B|----13-----13-----13---13---13---15---13-----13-----|
G|-----14-----14-----14-----14-----14-----|
D|-16---16---16---16---16---16---16---16---16---16---16-----|
A|-----|
E|-----|
```

```
e|-----|
B|-13-----13-----16-----16-----16-----16/19-----|
```

```

G|----14-----14----17-----17-----17-----|
D|-----16----16-----19-----19----19-----|
A|-----|
E|-----|

```

In the second round the lick comes again, but shorter:

```

e|-----|
B|----13-----13-----13-----13-----13-----|
G|-----14-----14-----14-----14-----14----14-----|
D|-16----16----16----16----16-----16-----16-----16-----|
A|-----|
E|-----|

```

Then:

```

e|-----|
B|-----|
G|-----|
D|----2h3-2---2h3-2h3-2---0h1-0----0h1-0h1-0-----|
A|-----|
E|-1-----1-----1-----1-----|

```

Over that riff is also a lick:

```

e|-----|
B|-13~-----|
G|-----14-----14~-----|
D|-----15----15-13~---13-15-13-----13-15-13-13~---|
A|-----|
E|-----|

```

```

e|-----|
B|-13~-----13--b--15-----|
G|-----14-----14~-----|
D|-----15----15-13~---13-15-13-----13-15-13-----|
A|-----|
E|-----|

```

I know, Josh and Nick used to play it in C-Tuning, but since no one ever tabbed it out just because it's a funny song, this is an easy way to play it in standard tuning and it be enough to play it right!
