[Verso]

G# Bb
I sat by the ocean
B F# G# F# E
And drank a potion, baby to erase you
C#m G#
Face down in the boulevard yet I couldn t face you
G# Bb
There ain t no use in cryin
B F# G# F# E
It doesn t change anything, so baby what good does it do?
C#m G#
Your friends they ll sympathize, maybe I don t need them to
E F# G#
Imagine I d be your one and only
E F# G#
Instead I m the lonely one
E F# G#7
You, me, and a lie
C#m F#
Silence is closer
G#7 E
We re passing ships in the night

G# Bb
There s nowhere to run away
B F# G# F# E
Said, Boy if you want love, you ll have to go and find it with someone new
C#m G#

Do you know who you really are? Are you sure it s really you ?

G# Bb
Lies are a funny thing
B F# G# F# E
They slip through your fingertips because they never happened to you
C#m G#
Time wounds all the heals as we fade out of view

Imagine I d be your one and only
Instead I m the lonely one
You, me, and a lie
Silence is closer
We re passing ships in the night
You, me, and a lie
Silence is closer
We re passing ships in the night
Into the light, left with nowhere to hide

Closer and closer
We re crashing ships in the night
