C# Bb  
Cozied up to the toilet  
F# C#  
Face stuck to the floor  
Bb F# C#  
I met expectations that I was tryin to ignore  
Bb  
Job had such patience  
F# C#  
I wonder, what s that like?  
Bb  
One hundred thousand million  
F# C#  
But I hear that s what you like

So I was thinkin  
C# Bb

F# C#

C# Bb  
So these cities are sprouting  
F# C#  
Like a spit in the eye  
Bb  
And this world isn t waiting  
F# C#  
It s just passing me by  
Bb  
I just peak in the window  
F# C#  
Lookin inside  
Bb  
The butcher s got a fork in your face  
F# C#  
I m standing alive

And I was singin
