Intro/verse

B	C	D#	
-----	-----	-----	
4--x---	5-----	8--x--x-	
4--x---	5-----	8--x--x-	
2--x---	3-----	6--x--x-	
-----	-----	-----	

B	C	D#	B	C	D#
my generation s for sale, beats a steady job					

and so on

the second part uses these chords. Hit the E,D and B twice each and then theres a little back and forth from A to B twice.

F	D#	B	slide A to B x2
The thing that s real to us is fortune and fame			

F	D#	B	slide A to B
all the rest seems like work			

and the third part s just full on strumming using regular chords not power chords(except B x244xx). This might not be right but it sounds close.

B	G	A	E
It s truely a lie, I m counterfiet myself
