Intro and Verse  
 There s a cold wind out tonight  
 The chill of distant eyes

An orbit survey finds...you mind

Chorus:

I will remember  
You will remember  
The star that came tonight

Bridge

Verse:

There s a thought that fills your mind  
A vision of a time  
When knowledge was confined  
And then we wonder how machines  
Can steal each other s dreams  
From point that are unseen....its real

Chorus:

I will rememberYou will remember  
The star that came tonightO  
h can t you see the light  
Of the knowing star

Solo

Verse:

When you gaze at the evening sky  
And you re reaching out with your mind  
You might see the nation s eyes  
Don t hide....its you

Chorus:

I will remember  
You will remember  
The star that came tonight
