Am **E**
Hold on girl, don t be blue
C **D**
Dry those tears for me and you
F **Am**
Can t you see our love is true
F **E**
When you remember

To do just what you say you ll do
Can t you see I live for you
And I need you to trust me too
So open your eyes

A **Dm**
And let the sunshine that s in you
A **Dm**
Light all your windows
A **Dm**
And change all your baby blues
