Well I had a dream that I

**Em**

Couldn t pick a part from the sky

**C**

The earth and the trees

**D**

The ground and the breeze

**Em**

The day and the night

**G**

And I figured out that my life

**Em**

was inside the blink of an eye

**C**

One day you re asleep

**D**

One day you re awake

**Em**

and one day you die

**C** **D**  
Oh life is a dream that we barely control

**Em** **G**  
It tears at the seams that reality holds

**C** **D**  
but every time I try to explain it

**G**  
I can t fix it I can t feel it

**Em**  
I lost my hands I lost my soul

**C** **D**  
The more and more I try to control it

**Em**  
The more and more it gets out of control

**C** **D** **Em**  
Oh the good book says I m weak but I m just unlucky thats all

**G**  
oh oh oh

**C** **D** **G**  
The good book says I m weak but I m just unlucky that s all

**G**  
Well I had a dream that I

**Em**  
traded my eye for an eye

**C**  
But words became the dream

**D**  
the books started to sing

**Em**  
the pixels came alive

**C** **D**  
Oh life is a dream that only time will erase

**Em** **G**

We build up the walls with the smile on our face

**C**

**D**

and every time I try to explain it

**G**

I can't fix it I can't feel it

**Em**

I lost my hands I lost my soul

**C**

**D**

The more and more I try to control it

**Em**

The more and more it gets out of control

**C**

**D**

**Em**

Oh the good book says I'm weak but I'm just unlucky that's all

**G**

oh oh oh

**C**

**D**

**Em**

The good book says I'm weak but I'm just unlucky that's all

**G**

**C**

**D**
