

**Theres A Light On
Quietdrive**

It hasn't been tabbed yet and it is a quite easy song.
It is a bit tricky on the strumming but listen to it and you will figure it out.
Well this is how it sounds to me! Enjoy!

There s a light on - Quietdrive (from the album Up or Down)

Tuning: EADGBE

```
      Em   G   D   C
e |---3---3---3---3-|
B |---3---3---3---3-|
G |---0---0---2---0-|
D |---2---0---0---2-|
A |---2---2---0---3-|
E |---0---3---0---0-|
```

```
G           D
There s a light on in the window
G           D
Lets me know she s safe at home
G           D           C   Em
Through the trees I feel the wind blow   oh oh oh oh
```

```
G           D           Em
She doesn t know that I m watching
G           D           G
She doesn t know that it s cold
```

```
G           D
There s a light on in the window
G           D
Half the moon lights up the sky
G           D           C   Em
There s a rope swing in the backyard   oh oh oh oh
```

Chorus:

```
G           D           G
She doesn t know that I m watching
G           D           Em
She doesn t know that it s cold
G           D           G           Em D G
Someday I ll find the words to make it right
G           D           Em           C D
Em D C Em D C
```

Until then I ll stay outside
