Iâ€™ve spent these last few months living in this fear

Oh, but the last few days have been crystal clear

I know what to say

If only youâ€™ll hear

But give it at least one chance,

Yea, just give it time

No, donâ€™t be afraid

Your usual way

Just listen carefully

Never felt so high

This is love

Looking in your eyes

When it feels so right

You canâ€™t deny

This is love

Love with no regrets
