

What A Life
Quietdrive

Capo on first fret

A **E**
There s a man down my street every morning wakes up late
D **A** **E**
when he wakes up he sees what he s become
A **E**
slaps his shoes on his feet shuts the door and leaves
D **A** **E**
working his whole life oh what a life

-chorus-

D **A**
we believe that heaven s gone to a place we don t belong
F#m **E**
in a song that makes us sad in a world that s going mad
D **A**
we believe in what we want cuz it hurts us to be wrong
F#m
if i break before it ends in my heart of hearts
E
I hope you ll understand

A **E**
there s a school up my street with some kids i know
D **A** **E**
as blameless the snow the falling snow
A
Then a man half insane

E
shoots up half the school before taking his own
D
life

A **E**
oh what a life

(chorus)

(background singers **A**) **E**....

3x (wake me up when all the people wanna change)

A

these cops are on the streets there s people breaking into stores

F#m

the sky is falling all around us, and there s one place left to go

D

cuz i believe in something better, something we were born to receive

E

and i don t care what anyone says cuz i believe

(Chorus)
