Tuning: Standard tuning no capo

THERE IS A LINK TO A VIDEO DEMO OF THIS SONG AT THE BOTTOM OF THE PAGE

There were no chord charts for this elsewhere so I decided to do one, im 100% positive chords fit to the song however they may not be the exact chords, enjoy!

There are really only two parts to this song,

1. The chorus and verse part (for which the chords are the same)
2. The middle 8 (split into two sections, first section having a run up)
