

The Storm Is Over  
R. Kelly

Key: A#

[Intro] 2 x A# D# F

A# D# F  
I was in a tunnel and couldn't see the light  
A# D# F  
And whenever I'd look up I couldn't see the sky  
A# D# F  
Sometimes when I'm standin' It seems like I done walked for miles  
A# D# F  
And my heart could be cryin' Dead in the middle of a smile

D# A# Cm  
But then I climbed the hills and saw the mountains  
D# A#  
I hollered help cause I was lost  
Cm F  
Then I felt the strong wind heard a small voice sayin'

A# D# F  
The storm is over The storm is over now  
A# D# F  
And I can see the sunshine Somewhere beyond the clouds  
A# D# F  
I feel Heaven, yeah Heaven is over me  
Cm F  
Come on and set me free, whoa

A# D# F  
Now in the midst of my battle all hope was gone  
A# D# F  
Downtown in a rushed crowd and felt all alone  
A# D# F  
And every now and then I felt like I would lose my mind  
A# D# F  
I've been racin' for years and still no finish line, oh

D# A# Cm  
But then I climbed the hills and saw the mountains (Mountains)  
D# A#  
I hollered help cause I was lost  
Cm F  
then I felt the strong wind and then a small voice sayin'

A# D# F

And I can see the sunshine Somewhere beyond the clouds

I feel Heaven, yeah Heaven is over me
