

A Billion Hits

R5

Em **G**
Didn t go nowhere
D
Never left uh

You really thought that i was
Am
Gone gone gone gone

Em
I heard you talking
G
Like i lost my swagger
D
Said i was over you were
Am
Wrong wrong wrong wrong

Em
I m always improving
G
Always on the move and
D
Working on my flow
Am
To take it to the studio

Em
This is not a come-back
G
Following my own path
D
Laying down the fat tracks
Am
Still a music maniac

Em
Whoa,
G
well i know that ill make it
D
Never put my head down
Am
T-t-turn it up loud
Em
Yeah,
G
cause i don t have to fake it

D

If i keep on working it

Am

A billion hits is what ill get

Em

G

Oh oh oh oh oh

Thats what i m gonna get

D

Am

Whoa oh oh oh oh

Thats what i m gonna get

Em

Yeahh

G

i know that ill make it

D

Overload the internet

Am

A billion hits is what ill get

Am

A billion hits is what ill get

Em

Now you can t breathe

G

Why so quiet

D

No you don t believe your

Am

Eyes eyes eyes eyes

Em

You pushed me till i had to

G

Start this riot

D

Now ill never be

Am

denied-ied-ied-ied

Em

I m always improving

G

Always on the move and

D

Working on my flow

Am

To take it to the studio

Em

I know i can be a star

G

Take it like a rocket car

D

Everyday i m working hard

Am

To get my name on every chart

Em

Whoa,

G

well i know that ill make it

D

Never put my head down

Am

T-t-turn it up loud

Em

Yeah,

G

cause i don t have to fake it

D

If i keep on working it

Am

A billion hits is what ill get

Call some one i think this is an emergency

Hey pull the plug

Austin s blowing up my pc

Every hour day and night

Can t get this rocker outta sight

Site site site

You can t get me outta your sight

You can t get me outta your sight

You thought i was gone

Guess that you were wrong

Cause i just wrote your new favorite song
