

Aint No Way Were Goin Home

R5

**G Am**  
I was blown away  
**F C G Am**  
busy disappearing till i saw your face  
**F C G Am**  
in the stratosphere and now I can t escape  
**F C**  
The force field that we re in got me  
**G Am**  
light years away  
**F C**  
so outer space  
**G Am**  
without a trace  
**F**  
But baby we re gone-  
**C**  
baby we re gone come on  
**G Am**  
aint no way we re goin home  
**F C**  
let s stay on the run forever  
**G Am**  
lets go nowhere that we know  
**F C**  
get strange with the stars together  
**G Am**  
we can do what you wanna do  
**F**  
but what you wanna do  
**C**  
baby we we can do better  
**G Am**  
ain t no way we re goin home  
**F**  
yeah, lets go  
**C**  
yeah, lets go

I hope you guys get the point now!

Burning air, you lit a fire feels like millionaires  
black top to tires lets get outta here  
and you make it brighter when we cant see the road  
where does this go?  
God only know

**G** **Am**  
I m the light you re the bomb put together

**F** **C**  
I m the pop you re the rocks put together

**G** **Am**  
I m the fight your the song put together

**F** **C**  
yeah, together, ye-ah

**G** **Am**  
Lightyears away...

**F** **C**  
so outer space...

**G** **Am**  
without a trace...

**F**  
baby we re gone

**C**  
baby we re gone come on
