

All Night

R5

Intro: **C G F**

C
We re stayin all night
G F
Got blue jean baby playing in my mind
C
She gets me so high
G F
Givin me faith I gotta testify

C G
And the way that she walks I can t hide it
F
If I said I don t like it I m lyin
C
Hold tight

G F
A little bit of love will change your life

C G
She said I m outta my head, I m going outta my mind
Am F
And when I m out on the edge will you save me, save me
C G
Can we live for the moment, can you live for tonight
Am F
Can we forget what was broken and say say say we ll be

C Em
Alright
Am F
Cause even if we change we ll always be the same

C Em
All night
Am F
I promise if you stay we ll never fade away
F G
All night

C
And now it s midnight
G F
And I can feel your electricity
C
Give me that skin tight
G F

Good girls ain t ever makin history

C And we ll dance in the streets till the morning **G**

F Never sleep when the city is callin

C Hold tight

G A little bit of love will change your life **F**

C She said I m outta my head, I m going outta my mind **G**

Am And when I m out on the edge will you save me, save me **F**

C Can we live for the moment, can you live for tonight **G**

Am Can we forget what was broken and say say say we ll be **F**

C **Em** Alright

Am Cause even if we change we ll always be the same **F**

C **Em** All night

Am I promise if you stay we ll never fade away **F**

F **G** All night

C **G** We ll be alright

Am **F** We ll be alright

C **G** We ll be alright

Am **F** We ll be alright

C **G** And we got nothing but time

Am **F** To make the most of this life

C **G** Take on the wrongs and the rights

Am **F** Forget them all and just say say say

F Ohh won t you say it now

F **G** We ll be all right

C Em
Alright

Am F
Cause even if we change we ll always be the same

C Em
All night

Am F
I promise if you stay we ll never fade away

C Em
Alright

Am F
Cause even if we change we ll always be the same

C Em
All night

Am F
I promise if you stay we ll never fade away
