

Doctor, Doctor

R5

Intro 2x: C G D

C G D C G D Em
I ve just come to realize the fire in your eyes for me
C G D C G D Em
And baby all these little sparks ignite until I just can t breathe

Pre-Chorus

C G D
And time and time and time and time and time again
C G D Em
I m lying in the dark, and wondering where you are
C G D
I m tryna, tryna, tryna find the medicine
C G D
Straight into my heart, it s tearing me apart
