

I Want You Bad

R5

Capo on Fret 1.

[Intro] **C Am F G**

[Verse 1]

C **Am**
In the back of a taxi cab, one

Quick turn you were on my lap,
F **G**
We touched hands and we pulled them back, yeah,

I want you bad!

C
And even though it should be so wrong,
I can't help but feel this strong, cause

The way you turn me on

Like a light switch.

[Pre-Chorus]

C
I might just go crazy,

Am
Cause you're my best friend's baby,

C **G**
But you got me thinking maybe, just maybe,

I don't know what to do!

[Chorus]

C **Am**
I'm in love with someone else's girl

You rock my world,

F
But you're the one that I can't have,

G
Girl, I want you bad!

C
In my crazy mind

Am
I'm with you all the time,

F
Cause you're the best I never had,

G

Oh girl, I want you bad!
