

Lay Your Head Down

R5

**G** **C** **D**  
Lay your head down with me darlin pick your heart up off the floor  
**G** **C** **D**  
If you need some give you somethin You know I know  
**G** **C** **D** **G**  
Hair down so you hide a drug for my eyes  
**C** **D**  
I ve been uh needin something needing something a little too much  
**G** **C** **D** **G**  
Slow down in your time no you don t need to rush  
**C** **D**  
I ve been uh drinking some been drinking some maybe a little too much

**G** **Em** **Am**  
Cuz all my days like they were so lonely lately  
**D** **G** **Bm** **Am** **D**  
Like I couldn t take it much longer baby no baby hm  
**G** **Em** **Am**  
So tell me baby do you feel like I do all your craving  
**D** **G** **Bm** **Am** **D**  
Someone to hold you and as the sun comes up and starts

**G** **C** **D**  
Lay your head down with me darlin pick your heart up off the floor  
**G** **C** **D**  
If you need some give you somethin You know yeah I know  
**G** **C** **D**  
Lay your head down with me darlin pick your heart up off the floor  
**G** **C** **D**  
If you need some give you somethin You know yeah I know

**G** **C** **D** **G**  
Face found Calvin Klein Her bank don t need love  
**C**  
I ve been uh dreaming so much you ve been dreaming some  
**D**  
Maybe a little too much  
**G** **C** **D** **G**  
Flown down to an isle the rum is dyed blue I been a drinking something  
**C** **D**  
been a drinking something Maybe a little too much

**G** **Em** **Am**  
The days just seem keeping me high, high to carry  
**D** **G** **Bm** **Am** **D**  
Give me your stories to go baby no baby mmhm

So tell me baby you feelin the love that I m feeling lately  
Knowwhere I ll rather be as soon the sun comes up and starts to set

Lay your head down with me darlin pick your heart up off the floor

If you need some give you somethin You know yeah I know

Lay your head down with me darlin pick your heart up off the floor

If you need some give you somethin You know yeah I know
