

**Can You Tell**  
**Ra Ra Riot**

Can You Tell by Ra Ra Riot  
Capo 2nd

**G**      **Am**              **Bm**              **G**  
Have I been too discreet  
**Am**                      **Bm**              **G**  
How long am I supposed to wait  
**Am**                      **Bm**              **G**  
I think about you nightly  
**Am**                      **Bm**              **G**  
Oh can you tell I m losing sleep  
  
**Am**                      **Bm**              **G**  
What am I supposed to do  
**Am**                      **Bm**              **G**  
It s hard to stay cool  
**Am**                      **Bm**              **G**  
When you smile at me  
            **Am**                      **Bm**              **G**  
And I get nervous every time you speak

**G**                              **Em**  
My bed s too big for just me  
                                    **C**  
When you turn your eyes  
**D**                              **G**  
I promise I won t care  
**Am**                      **Bm**              **G**  
Standing by your sister fair

**Am**                      **Bm**              **G**  
Oh baby baby baby please  
**Am**                      **Bm**              **G**  
My heart sinks to my feet  
**Am**                      **Bm**              **G**  
What am I supposed to do  
**Am**                      **Bm**              **G**  
I think about you nightly

**G**                              **Em**  
My bed s too big for just me  
                                    **C**  
When you turn your eyes  
**D**                              **G**  
I promise I won t care  
**Am**                      **Bm**              **G**  
Standing by your sister fair

**Am**                    **Bm**            **G**  
Standing by your sister fair  
**Am**                    **Bm**            **G**  
Standing by your sister fair

**Am, Bm, G, Am, Bm**

**Em**                                    **C**  
When I look in your eyes  
**D**                                    **Em**  
I tend to lose my thoughts  
**Em**                                    **C**  
Don t forget your stare  
**D**                                    **Em**  
Oh what was that you said  
**Em**                                    **C**  
Would you let me know  
**D**                                    **Em**  
Cause I can t read your mind  
**Em**                                    **C**  
Oh can you tell  
**D**                                    **G**  
I can t even explain

**Am, Bm, G x3**

**Am**                    **Bm**            **G**  
Oh baby I can t even explain  
**Am**                    **Bm**            **G**  
What am I supposed to do  
**Am**                    **Bm**            **G**  
It s hard to stay cool  
**Am**                    **Bm**            **G**  
When you smile at me  
**Am**                    **Bm**            **G**  
And I get nervous every time you speak  
**Am**                    **Bm**            **G**  
Oh, standing by your sister fair
